

GROWING BECAUSE WE CARE

"I will not offer to God that which costs me nothing." II Samuel 24:24

MARK YOUR CALENDARS FOR TWO SPECIAL CAMPAIGN EVENTS

COMMITMENT CELEBRATION SUNDAY, JUNE 7

On June 7, 2015 each family will fill out commitment cards, making their three-year financial commitment to the building of a new worship sanctuary, classrooms, bookstore, administrative offices and youth facility. After much prayer and reflection on our lifestyles, we are asked to make a financial sacrifice to the Lifestyle Stewardship Campaign. Not equal giving, but equal sacrifice.

FIRST FRUITS SUNDAY SUNDAY, JUNE 14

And so our journey begins! What a joyous a celebration we will have, when on First Fruits Sunday we will gather as one and bring forward to the altar our first campaign financial gift! This day will officially begin our three-year journey to building a new worship sanctuary, classrooms, bookstore, administrative offices and youth facility and renewing our commitment to the community in which we serve. Macedonia has proven to be a strong, committed church. Let us continue to be the living stones used to build a strong, evangelizing church that serves the people of God within our church boundaries and throughout the community.

Deacon Ricky and Katrina Allen

Campaign Manager A

As Campaign Managers A we are so thankful and excited to be part of this vision for Kingdom building. In preparation for this leadership role we learned that it is not about equal giving, but of equal sacrifice. Through prayer, we have accepted this position with confidence knowing and trusting God will supply all our needs.

Galatians 6:9 says, "and let us not grow weary of doing good, for in due season we will reap, if we do not give up." (ESV)

For us as a couple, this scripture touched our hearts both spiritually and financially as we begin this journey with our Church. We encourage you to participate in the vision as it becomes a reality. As members of MMBC let's enter into our Lifestyle Stewardship Campaign with the willingness and desire to enhance and expand its ministry and better fulfill the Great Commission of Christ.

Loyd & Tonya Wood

Campaign Manager B

We, and the rest of our church members, are joined in a wonderful fellowship. We have the privilege of worshiping God together, supporting one another in sorrow and trial, and aiding one another in our community.

We are now facing the future. Our time, our prayers, and our gifts are all essential. We pray that all of us can give what we can. Our church aspires to strengthen our witness for Christ in the community. With all of our help, and to the best of our ability, we can envision our common goal being finalized with this new building. Our collective love in Christ and our love for one another will empower us to complete this vision.

Rochelle Hall

Leadership Campaign Director

I am very excited to be a part of the steering committee for the **Lifestyle Stewardship Campaign: "Growing Because We Care."** This campaign goes hand in hand with Macedonia Missionary Baptist Church's (MMBC) Vision, Mission and Motto statements. MMBC Vision is Macedonia is a **Christ-Centered Congregation that Develops Disciples**, this capital campaign show that we are developing disciples and growing our congregation. The Capital campaign is directly in aligned with MMBC's Mission, **Committed to the Master, Connected through Ministry, and Concerned about Man** because our members are committed to The Lord (Saved), connected through ministry (Getting involved with ministries and serving the Dayton Community) and concerned about man (Bringing unchurched family/friends to worship services). MMBC's Motto is "A Ministry That Cares," our church is growing at a very fast rate because "We Care" and "We Care" enough to make sure all our new/old members worship in the sanctuary together and in comfort, that is why this campaign is so important. Please join me in our capital campaign, this campaign is not just about giving, but about sacrifice, dedication and developing spiritually and economically, so that we can grow as a church and service more people in our community.

Let's show our faithfulness in God's Promises by getting ready for our **Lifestyle Stewardship Campaign: "Growing Because We Care."** If we all come together and make some very important changes in our lifestyle, we can get our new building built together.
