GROWING BECAUSE WE CARE
LIFESTYLE STEWARDSHIP CAMPAIGN

Steps to Making a Lifestyle Commitment

Steps to Making a Lifestyle Commitment

1 Before you think about money, ask God to point out anything that is hindering your relationship with Him. Consecrate your temple and rededicate yourself to God first, then you can hear what God is saying about your resources. (II Chronicles 29:1)

2 Pray individually, and if married, as a couple. Ask God to direct you to the amount God wants you to give toward the Lifestyle Stewardship Campaign. Ask God to stretch you beyond your comfort zone so that you can see God work in an exciting new way in your life.

3 Ask yourself what amount of money:

- You would desire to give, and
- You could believe God to provide for you to give.

4 Prayerfully write down the amount you believe God is speaking to your heart by asking yourself and discussing with your family the following questions:

- Is this amount a worthy sacrifice in light of my (our) faith in God's ability?
- Am I (Are we) excited about trusting God for this sacrifice, or am I (are we) being motivated by fear, pride or competition in pledging this amount?
- Can I (we) honestly say this pledge is going to require an adjustment in my (our) lifestyle?

5 If you can answer YES to all of these questions, then you can feel comfortable about your gift amount. Otherwise, repeat steps 2 through 4 until you are comfortable with your answers in Step 4.

6 Once God gives you peace about the appropriate amount, make your pledge and resolve in your heart to follow through. (II Corinthians 8:11-12).
